ABOUT THE EXPO

After successful execution of various other exhibitions in Uganda, Exhibitions & Trade Services India Pvt. Ltd. is now organising the 2nd Agrifood Uganda International Expo which will be held from 25-27 November, 2026 at Multi - Purpose Hall in UMA Show Grounds Lugogo in Kampala, Uganda.

Agrifood Uganda is a focused event on the broad sectors of Agriculture & Food and will be hosting the leading manufacturers, dealers, distributors, supply chain companies and stakeholders from not only Uganda but from various parts of the world as well.

The expo will have support from all major associations in Uganda and will look to become the one stop solution for everyone having Agriculture & Food related requirements in the Uganda and East Africa.

SCOPE IN UGANDA

-  Investors consider Uganda's agricultural potential to be among the best in Africa.
-  Agriculture & Food is the mainstay of the Ugandan economy, employing two-thirds of the labor force and providing approximately half of export earnings.
-  The Fishing Industry has been very significant to the economy of Uganda.
-  Uganda is self-sufficient in terms of staple food production, and plays a major role in regional food supply and trade.
-  Uganda Food and Beverage market size is poised to report strong growth rate over the forecast period due to increasing population, rising disposable incomes, coupled with changing trends and product innovations.
-  The Confectionery & Snacks market in Uganda is projected to grow by approximately 10% in the next 5 years
